in Tanmay Shukla

PROFILE

Aspiring Full-Stack Developer with hands-on experience in building responsive and interactive web applications using HTML, CSS, JavaScript, and React.js. Skilled in UI development, state management, and API integration, with ongoing learning in backend technologies like Node.js and MongoDB. Collaborative team player familiar with Git and GitHub workflows.

INTERNSHIP

FULL STACK DEVELOPER

Full Stack Learning , Jaipur   September2024 -Present

- Worked on real-world projects including a JavaScript-based Pokémon app, a To-Do list, and Flip Cards Memory Game. Built responsive and interactive UIs using HTML, CSS, JavaScript, and React.js. Applied modern frontend tools like Tailwind CSS to improve design consistency and responsiveness. Gained experience in state management, event handling, and API integration. Currently learning backend technologies like Node.js and MongoDB to build complete MERN stack applications. Collaborated in a team environment, following Git and GitHub workflows for version control.
